4 of 4 people found the following review helpful. Not for me. By sully Just not the type of book I like to read..other people love it but it wasn't for me. 0 of 0 people found the following review helpful. Good for a laugh By Stephany

FoxThis book was just a little too parody-ish for me. It starts out making some really good points (which is why I ended up purchasing it), but then it kind of dissolves into fluff and you're left with no real action items to improve your life. This definitely won't give you many quarter-life crisis solutions but it's relate-able and made me laugh0 of 0 people found the following review helpful. I would recommend it if you're not uptightBy kristen n tudeenThis book was hilarious. Obviously, it has to be taken as a joke/with a huge grain of salt but it did have some actual truths running through it. I found it to be amusing, but I'm not surprised so many people were offended. I would recommend it if you're not uptight.

The creators of the popular blog BetchesLoveThis.com use their signature wit and wisdom to teach you how to make it in a dangerous world filled with nice girls and carbs.LOOK, MAYBE YOU'RE A NICE GIRL, but we're guessing you're more like us or you probably wouldn't have picked up this book. Not that we have a problem with girls who are nice people. But being nice is just not the way to get what you want. And this book is about getting what you want. Not in like a finding happiness, giving back to the world, being grateful for what you have sort of way. But in a ruling your world, being the most desired, powerful badass in the room way, so you can come out on top of any situation: guys, career, friends, enemies, whatever. How does a betch make that happen? Here are some highlights: DON'T BE EASY. DON'T BE POOR. DON'T BE UGLY. We didn't come up with these life lessons. We're just the ones who wrote it all down. This is not self-help. Self-help is for fat people and divorcées. This is how to deal with your problems when you have no problems. You're welcome.

"Likely to become a fast favorite as long as you're a living, breathing girl." (Emmeline Clein HerCampus.com)About the AuthorThe Betches were born knowing exactly what they want and how to get it.
