**Prof Shane Shane : Nifty Nursery Rhymes And Twisted Tales** before purchasing it in order to gage whether or not it would be worth my time, and all praised Nifty Nursery Rhymes And Twisted Tales:

This book tells the "realstories" about Jack and Jill. Their "fall" was in the stock market. Little MissMuffet was pretty much how you remember her, but herfood of choice was frozen yogurt. The Professor finally provides the answer to

the age old question, "Can you teach an old dog new tricks?" Where else but in this book will you learn that Rapunzel had a repulsive "ear hair" problem? Only NiftyNursery Rhymes shows proof that the Tortoise that beat the Hare did so by means of illegal drugs! Only this book exposes how a Rabbi causing a terrible car wreck used psychology to shift the blame to another clergyman! Only here will you learn that Mary's Little Lamb is on the FBI's most wanted list. For Pete's sake#8230read these to your toddlers! This book is fine for children. The adult humor however makes it fun to read out loud to your children or grandchildren. Often young ones like to hear the same stories over and over again (much to the chagrin of the parent). However in "Nifty Nursery Rhymes" the Professor has written a collection that parents look forward to re-reading aloud each night. Warning: These stories can be "habit forming"!

About the AuthorThe Crazy Professor has carefully researched archives all over the world. Professor Shane was the first person to prove that Jimmy Cricket was the criminal mind behind Pinocchio's troubles. Since then The Professor has discovered criminal ties to Mary's Little Lamb as well as to the plot to make Humpty Dumpty's demise appear to be a mere accident. Professor Shane has proved that Rip Van Winkle was a genius inventor with marital problems, as well as the real reason that Star Treks Captain Kirk speaks in starts and stops (Kirks problem appears to be intestinal).
