**Sue Carabine : Night Before Christmas in Nevada, The** before purchasing it in order to gage whether or not it would be worth my time, and all praised Night Before Christmas in Nevada, The:

Nearly evening time, St. Nick reaches Nevada and gets to see Lake Tahoe and Carson City. Then all of a sudden there is a very bright light that nearly blinds Nick and his reindeer. Landing on a cactus in the desert, Santa meets a little girl who has never been anywhere-not even to Las Vegas! So the two travel down the strip and have a night filled with

fun. BR
