David Brenner : Nobody Ever Sees You Eat Tuna Fish before purchasing it in order to gage whether or not it would be worth my time, and all praised Nobody Ever Sees You Eat Tuna Fish:

0 of 0 people found the following review helpful. You really feel like you're there in South Philly as he was growing ...By Michael MigliaccioBrenner was a natural storyteller. You really feel like you're there in South Philly as he was growing up. His wit and insight are engaging. Highly recommended.0 of 0 people found the following review helpful. Five StarsBy AndyGreat job!0 of 5 people found the following review helpful. Nobody Ever Sees You Eat Tuna FishBy Kathy BabichI am reading this book now and am getting bored. I will finish the book and see how I like it then.

Nobody Ever Sees You Eat Tuna Fish

From Library JournalAs in his previous books, Brenner writes of his experiences with a salty blend of directness, humor, and cynicism. Many of his reminiscences of his youth in a poor Philadelphia neighborhood strike a responsive chord in the reader. On the negative side, a great deal of the humor is scatological and tasteless, which tends to make the book uneven at best. There are some touching sequenceswhen Brenner describes his conversations with long-term prisoners and when he openly admits his battle to overcome a drug habit. Throughout, one senses that the author is most proud of his image as a tough street youth and as a person who never backed away from a fight. Not a necessary purchase.
