W. U. Ming : Nobody Poops But You before purchasing it in order to gage whether or not it would be worth my time, and all praised Nobody Poops But You:

It's delightfully droll, mischievously clever, and made me laugh out loud several times! It's meant for parents rather than kids -- parents with a great sense of humor!1 of 2 people found the following review helpful. 100% FactsBy Demetrius CassidyI always knew I wasn't the only one. Can't believe people do that stuff.0 of 4 people found the following review helpful. Don't waste your money.By David H.The book has a catchy and interesting name. It's a simple and silly concept and you'd think the book could write itself. The online description hypes the book up and I was excited to buy this as a joke gift (for an adult). I was hoping for a few laughs and a silly story on how pooping is a cover up or something. I got none of that - no laughs, no chuckles. Instead, I'm left with a lot of disappointment on what could have a decent book and feeling of disbelief that anyone would sell this. I don't even want to give this as a joke gift because it's just crap.

What's this? A book! Yeah, maybe I'll take it into the bathroom with me to read. But that's all I'll be doing in there: reading. Why, what are you doing in the bathroom? You're what? Dude, no. That's messed up. Cheerfully illustrated in full-color Shame-O-Rama, this parody gets straight to the point: mice, whales, camels, bugs, even other people...none of them go around pooping. We didn't want to say anything at first, but it was starting to become painfully clear that you had no idea. We're just going to come out and say it: nobody poops but you. Note: You probably shouldn't read this to any small child you are attempting to potty train, unless you have already established a trust fund to pay for Timmy's future counseling sessions.

About the AuthorW.U. Ming enjoys fast cars, fine wines, and lounging on sunny rock ledges between phone calls

from beloved parents, who remind W.U. that it's still not too late to go back for that last semester of graduate school.
