Keith Skipper : Norfolk in a Nutshell before purchasing it in order to gage whether or not it would be worth my time, and all praised Norfolk in a Nutshell:

Norfolk raconter Keith Skipper is the master of whimsy and wit, writing in the county's dialect. He adds to the range of his titles with this condensed look at Norfolk, its people and their ways. Thinking of visiting this part of eastern England? Thinking to come and live there? This is the book you will need to fit in with the locals! Homesick for

Norfolk? This book will make you feel at home, lift your spirits and bring a smile - at the very least - to your face.
