**Jodi Schwen : Northern Comfort: The Musings of Jacqueline Pine Savage** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Northern Comfort: The Musings of Jacqueline Pine Savage:

I took trip through the mind of a true Minnesota woman who takes everything in stride and shares her wisdom at will, with those of us who are still trying to make room for our unsightly and unfashionable Sorel boots. As a small town girl with big dreams who rarely feels like she fits in, I felt at home after reading the book. (So much so I know exactly where to put my jacket as a guest in the Savage home, "Top

of the stairs, first door on the left"). I want to tag along with Jacqueline while she finds her newest treasure. I also want to be the one person who finds her the bunny button she's been searching for. I will forever keep an eye out for one of those. I especially enjoyed her stories about growing up and felt the slow and humiliating lull of fashion pangs as I sympathized with her as her cute new swimsuit turned into a fashion emergency. I laughed at her corn syrup clash, cried when she declared her undying love to Jack and took detailed notes so I can one day become half the woman Jacqueline Pine Savage is now. 0 of 0 people found the following review helpful. I so enjoy her style of writing By teresa Jodi has written from truly a "Northern Girl" heart....I so enjoy her style of writing...great story telling..and funny!!! I identified with the stories...Jodi nailed so much of our childhoods from years gone by...as well as raising a family in our Gorgeous Northern Minnesota!!! Seriously, I am now on the lookout for red plaid clothing!!! 0 of 0 people found the following review helpful. Great Read! By wordsrule For those who find both humor and comfort in the north woods!

Using the pen name of "Jacqueline Pine Savage" has allowed Jodi Schwen to protect the innocent while writing about life up north. Some call it "outstate" or "boondocks"? Jacqueline Pine Savage calls it home. Either way, living in a rural community means finding the humor in north woods living. In *Northern Comfort: The Musings of Jacqueline Pine Savage*, enjoy the several holidays of hunting and fishing seasons, family bonding when the dogs get "skunked," and how to politely refuse the house tour when guests come a-calling.

About the Author Jodi Schwen (Jacqueline Pine Savage) is a native of the north woods and lives in Brainerd, Minnesota. Her up-north tales first appeared in *Lake Country Journal* magazine, where she began writing under her "Jackypine" pen name. She has learned to survive and thrive in her rural lifestyle by keeping her wit about her. Learn more at [jodischwen.com](http://jodischwen.com).
