It's Molly Ivins, for goodness sake!

She's back. Molly Ivins, our most perceptive, outrageously funny political commentator, has given us an uproarious new book. In *Nothin' But Good Times Ahead*, Ivins proved that no one has a steadier gaze or a quicker trigger finger, as she hits the bull's-eye in such targets as George Bush, Bill Clinton, Camille Paglia, the Clarence Thomas hearings, and the ethics-twisting, English-slaughtering pols of her beloved Texas. Here's Molly on: The 1992 Republican Convention: "Many people did not care for Pat Buchanan's speech; it probably sounded better in the original German." Texas politics: "Better than the zoo, better than the circus, rougher than football, and even more aesthetically satisfying than baseball." Gibber Lewis, former House Speaker of the Texas State Legislature: "He once announced, 'This is unparalyzed in the state's history.'" Another Gibberism: "It could have had ramifications in the hinterlands."

From Library Journal  
Ivins, author of the best-selling *Molly Ivins Can't Say That, Can She?* (Random Audio, 1991), offers another humorous collection of pieces that originally appeared in such organs as *Mother Jones*, *the Progressive*, and *the Texas Observer*. In one memorable essay, Ivins waxes irreverent on two members of her supposed literary circle, Madonna and Ivana Trump. In another, she exhorts Camille Paglia (outspoken author of *Sexual Personae*, Yale Univ. Pr., 1990) to "take a valium" and offers to introduce Paglia to "some Texas fraternity boys" who would love to make her acquaintance. In the remaining commentaries, Ivins likens Ross Perot to a chihuahua, reaffirms her fondness for men who like women and whiskey, and laments the passing of the *Dallas Times-Herald*. As always, she is funny, stalwart, and staunchly liberal in her observations. Ivins reads her material in a flat, Texas drawl that captures the barbeque flavor of her writing. All libraries owning the author's previous collection should acquire this. - Mark Annichiarico, "Library Journal" Copyright 1994 Reed Business Information, Inc. "America's wisest and funniest political columnist, bar none... better'n a bottle of Cuervo and a fine-tuned pick up." - Fort Worth Star-Telegram  
"Her gift for sounding outrageous and sensible at the same time... makes Molly Ivins a superb political columnist... sarcastic, succinct, compassionate." - San Francisco Chronicle  
"A delight... Molly Ivins knows all about the dark side of our public and private existence, but she also has a comic sense of life." - The New York Times Book
