DC Ward : Nothing To Do With Islam: A Politically Correct Collection of Muslim Terrorism-Inspired Political Cartoons from Politics, USA before purchasing it in order to gage whether or not it would be worth my time, and all praised Nothing To Do With Islam: A Politically Correct Collection of Muslim Terrorism-Inspired Political Cartoons from Politics, USA:

What better way to point out the serious problem of Islamic terrorism than making fun of the Left's insane positions on this growing threat... Nothing To Do With Islam is the second collection of cartoons from Politics, USA...this time featuring cartoons inspired by true news events relating to the politics of Islam and Terrorism. After being completely offended, your sensitive liberal friends and family will have to agree - Islamic Terrorism just might have something to do with Islam...
