**Rev. Paul Sinclair : Now Open Sundays!: A Celebration of Signs from a Church with a Message** before purchasing it in order to gage whether or not it would be worth my time, and all praised Now Open Sundays!: A Celebration of Signs from a Church with a Message:

For the past 20 years, Reverend Paul Sinclair has put up humorous church signs outside his church, grabbing the attention of passers-by—and on occasion, the media too. Each sign is a witty and thought-provoking reminder of faith, spreading peace and love in a wonderfully eccentric way. Regardless of religion, this book celebrates life and laughter. Thanks to Dawkins and his chums, much attention has recently been devoted to damning the importance of religion. Now Open Sundays! is a unique counterpoint, with enough sharp humor to have you rolling in the aisles.
