Jeffrey Stone, Maureen Kelly : Nuns Having Fun Calendar 2008 before purchasing it in order to gage whether or not it would be worth my time, and all praised Nuns Having Fun Calendar 2008:

The nostalgic nun pics are great-the captions are just plain funny. Kind of miss those habits! Especially love the July pic-gotta see it for yourself!1 of 1 people found the following review helpful. HumorousBy PatriciaIn case you never realized that nuns are people, this will broaden your point of view. Nuns enjoy having fun just like the rest of us. This is good for a chuckle.2 of 2 people found the following review helpful. Always a lot of funBy KerryMEI love this calendar and get it for a friend every year. How fun is it to watch those we revere being so human?!

"Habit-forming" (Maxim) indeed! Nuns Having Fun is one h*ll of a good time. Featuring charming black-and-white photographs dating back to the 1950s and '60s, the calendar depicts nuns playing, goofing, laughing, and just having a blast—a celebration of a sweet, lighthearted, and completely unexpected side of convent life. Here are sisters swimming. Sisters on swings. Sisters on scooters, sisters playing cards, and sisters on skis. Even sisters in a rock band (shades and all).

From the Back Cover Girls Just Want to Have Fun!Revealing a sweet, lighthearted, unexpected side of convent life,

NUNS HAVING FUN returns with a year of Sisters playing, goofing, laughing and letting loose. Dating mostly from the 1950s and 1960s, these buoyant black-and-white images celebrate the simple pleasures of a more innocent age. Here are nuns enjoying a day at the beach. Nuns raising a pint. Baseball nuns—on the field and in the stands. Nuns skating, nuns sledding, and one formidable nun demonstrating her karate kick (wearing a habit of course, instead of a gi). Witty commentary is provided by Maureen Kelly and Jeffrey Stone, authors of the hilarious bestsellers *Growing Up Catholic* and *More Growing Up Catholic*.
