Love the Nuns!By V BarnettI love the NHF calendars...get one every year either on my own or as a gift...!Watch out tho...they changed the 2014 calendar to color....not as nice. Might not get again if they don't change back to bw or at least mix up the photos. Not their best decision!0 of 0 people found the following review helpful. Still a pretty good calendar.By milpA few of my friends had this calendar and I always wanted one. I'm glad I finally got it this year but I wish the pictures were as funny as they were in previous years.0 of 0 people found the following review helpful. endearing nunsBy SlugmomThis is a fun, nostalgic, respectful calendar with photos and captions that make you giggle and recall your days "back when".

Hooray for the "habit-forming" (Maxim) calendar that has charmed its way into being one of our bestselling wall calendars. Proclaimed "funniest calendar of the year" by Gene Shalit and packed with vintage photographs of nuns letting loose, Nuns Having Fun is a delightful celebration of simple pleasures and sheer, spontaneous amusements. Nuns on swings, nuns on skis, nuns playing street hockey. Nuns at amusement parks, nuns frolicking in the surf, nuns having a snowball fight. The sweetly nostalgic photographs are black-and-white and date back to the 1950s and '60s. Maureen Kelly and Jeffrey Stone, coauthors of the New York Times bestseller Growing Up Catholic, provide witty commentary.
