She went to a Catholic grade school and had a wonderful experience. She loved the nuns, their faith in Jesus Christ, their example, their teaching and yes, their wonderful sense of humor.7 of 7 people found the following review helpful. Glory hallelujah for Nuns Having Fun. Proclaimed the "funniest calendar of the year" by Gene Shalit and "habit-forming" by Maxim, Nuns has charmed its way into being one of our top-selling calendars. A lighthearted and utterly delightful reverie of spontaneous fun and simple pleasures, it contains a year of black-and-white photographs— both old and new—revealing nuns kicking back and letting loose. Here are nuns at an amusement park. Nuns rocking out. Nuns putting on their poker faces. Nuns shooting hoops, blowing bubbles, and hitting the slopes. Lively and sweetly nostalgic, these images are a touching tribute to the lighter side of convent life. Witty commentary is provided by Maureen Kelly and Jeffrey Stone, coauthors of the New York Times bestseller Growing Up Catholic.
