The Hot Air Balloon Guy is Back on the Chain Gang!By GeeCoops"Nuns on a Chain Gang 3" Alan RipinMr. Ripin offers up a trifecta with his latest kooky book. This one continues on from his two previous "Chain Gang" one-liners and for the most part winds up in the same tickle your funny bone genre. Again, his nimble mind rambles through some bizarre connections linking free association ideas that would not ordinarily be considered thought partners. Many catch on and generate a crazy, funny smile. Others miss the mark. Overall though, it's worth the quick read and provides some sit down comic pleasure. Funny series from the town wiseguyBy Mariana LeungAlan Ripin's Nuns on a Chain Gang series is beloved among the town coffee community in New York's Hudson Valley. Ripin's collection of one-liners reminiscent of old Vaudeville wiseguys keep the locals (like my wonderful In-laws) smiling in their hometown and you can bring those joys to your town as well.

As indicated by the title, this sequel to "NUNS ON A CHAIN GANG!" 1 2 , is a listing of over 300 wacko/humorous(sometimes irreverent) "stuff" that you NEVER- EVER see!-- for example: "A GREAT WHITE SHARK IN A PETTING ZOO!" All entries are the author's original and creative concepts. Illustrations are purposely not included, as the author encourages the reader to imagine/ visualize each entry through their own mind's eye, thus making this an interactive, witty, tongue-in-cheek experience.

About the AuthorThe author, a third generation Manhattan native, is retired from NYC government where he served five mayors over thirty-two years. Sadly, his books reflect the mental toll exacted by a career in public service!
