**Papeterie Bleu Adult Coloring Books : Nurse Life: A Snarky Adult Coloring Book** before purchasing it in order to gage whether or not it would be worth my time, and all praised Nurse Life: A Snarky Adult Coloring Book:

Nurses, you truly are angels in disguise. In the most trying times and stressful circumstances, you are compassionate, kind, wise, and patient beyond measure. But let's be real. All that self-sacrifice must give you daydreams of hijacking some gurneys and pushing each other straight to Mexico for vacation. Well, put back the gurneys and pick up this Coloring Book for Grown-Ups instead! With each page you color, feel the exhaustion and stress melt away like so many ocean waves and margaritas.
