found it offensive in any way just hilarious. A great way for her to laugh at the not so funny things that she really does deal with on a regular basis. Our whole family loves the adult coloring books and this one fits right in. Great artwork, easy to color, it's a pretty sturdy coloring book and the pages are good paper. I am glad she liked it so well, a great stress reliever for her. 2 of 2 people found the following review helpful. Full of funny, snarky, entertaining nurse sayings
