1 of 1 people found the following review helpful. Cool calendar at a great price! By Vince Ryker Amusing wall calendar that makes fun of American culture gender roles from the '50s. I didn't choose it because of the topic of humor depicted in the calendar...I just needed a wall calendar didn't want to spend \$14.95 on one or go to the store to get it. But it is a cool calendar with funny situations depicted in it. 1 of 1 people found the following review helpful. Love these calendars! By HisAndHers A yearly tradition now! Love these, bought one for my mom she loved it too. Has enough room to write a few things per day if needed.-Also... fyi in 2012 I purchased my first calendar like this but couldn't find one (wasn't members yet!) for 2013 in our small town. I ended up going to a local dollar store buying a new calendar same measurements and just replace the sheets by using some crafting adhesive and a little scotch tape. Seriously it was a genius idea and I got an extra year from my favorite prints. Now that should be on Pinterest :) 0 of 0 people found the following review helpful. She laughs at the funny lines that go with the old picture and shares ...By Kathy B My niece worked very hard and earned her RN 16 years ago. I honor her accomplishments by giving her this calendar every year. She uses it to track all the family's activities. She laughs at the funny lines that go with the old picture and shares them with other nurses. She looks forward to receiving the calendar each year it gets a key position on her frig. Thank you for continuing to provide these calendars as a source of humor and bonding for all those wonderful nurses who do the sometimes thankless jobs we all require. They are caring warriors who should be

honored.

Thank goodness for the compassionate, hardworking souls who dedicate themselves to helping and serving others as nurses. The Nurses calendar brings smiles to the faces of these caring individuals. Each monthly spread presents a vintage nurse photo paired with a relatable caption sure to elicit laughter.
