Love this day to day calendar and the messages for each day!1 of 1 people found the following review helpful. Great gift for any nurse!By CustomerEvery year my mother and I exchange this particular calendar as we are both nurses. It's our tradition for the last 7 years. The daily things are usually humorous. They have started putting puzzles(sudoko etc) on the back as an added bonus.

Nurses know to expect the unexpected. After all, the term "typical day" seldom applies. On the action-packed front lines of patient care, nurses see and hear some downright peculiar stuff--all the while maintaining composure and administering comfort.The Nurses 2016 Calendar rewards nurses with a daily, well-deserved mental-health break, each page greeting them with a joke, quote, or anecdote that's sure to make them smile.
