**Andrews McMeel Publishing : Nurses 2018 Wall Calendar** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Nurses 2018 Wall Calendar:

The Nurses 2018 Wall Calendar rewards today's Florence Nightingales with laughter and smiles courtesy of vintage nursing photos paired with witty captions. After all, medical practices and uniforms have changed over the years, but a sense of humor remains as vital as ever!
