Definitely recommended for nurses out there... it applies to RNs working in any area!0 of 0 people found the following review helpful. Super FunnyBy K. BoltMy friend sent me this while I was in nursing school. It was absolutely hilarious and right up my ally. I love all things vintage and this calender combined that with my love of nursing . (and snarkiness) I plan to buy the 2012 edition.

Nurses may be the hardest-working people in the medical profession, multitasking and handling stressful situations with unending patience and a smile. They deserve a break during their busy shifts, and the Nurses 2013 Wall Calendar is the perfect prescription. Each monthly spread features a vintage nurse photo accompanied by a humorous caption. No matter the era, a sense of humor is vital when you're in the nursing profession.
