Great collection of NurstoonsBy Virginia BowenThis is a great collection of Nurstoons! This book brings those little doses of nurse comic relief into a 90 day supply. A perk you up little treat!1 of 1 people found the following review helpful. Great CartoonsBy SamNSWAUSA great collection of cartoons - for making you smile and illustrating the health care system in all its facets.

Have you ever felt obligated to make up a physical ailment (like your leg falling off) when calling in for a mental health day? Do you sometimes entertain the idea that there are moon people who use a lunar raygun to disrupt society when the moon is full? If so, you will be able to relate to the comic strips in this book. This book is a collection of comic strips drawn by Carl Elbing who has worked as an RN since 1992.

About the Author Carl Elbing has been an RN since 1992 after graduating from Michigan State University. He worked bedside in critical care for 14 years when he completed his MSN in education from University of Phoenix. Carl is currently working as an educator in critical care.
