Nathan W. Pyle : NYC Basic Tips and Etiquette before purchasing it in order to gage whether or not it would be worth my time, and all praised NYC Basic Tips and Etiquette:

Makes me want to go to NYCBy Richard HamblyI have never been a big city person, and in the few times that I have been to NYC I was intimidated and felt out of place. However, after reading a few of these tips when they popped up on Reddit I found myself intrigued by the idea that there was a way to make visiting the big city that much easier. Mr. Pyle then went ahead and put out this book and I found that I was hooked. These pieces of knowledge are vital to a person like me who never would have survived in the Big City without them. This is a must have for any first time New Yorker, and a must have coffee table book in general.0 of 0 people found the following review helpful. PerfectBy Freddy D. A great way to show children (and mine w/autism) the unspoken rules of visiting NYC!By mommymarlyGreat fun as a prep guide for my high functioning autistic son to really understand the nuances of NYC. The pics were clear and the signage was presented in fun and non-threatening way... it was REALLY helpful!

New York Times BestsellerLiving in New York City for five years as a transplant from Ohio, illustrator and T-shirt designer Nathan Pyle was fascinated by the unique habits and unspoken customs New Yorkers follow to make life bearable in a city with 8 million people (and seemingly twice the number of tourists). In NYC Basic Tips and

Etiquette, Pyle reveals the secrets and unwritten rules for living in and visiting New York including the answers to such burning questions as, how do I hail a cab? What is a bodega? Which way is Uptown? Why are there so many doors in the sidewalk? How do I walk on an escalator? Do we need to be touching right now? Where should I inhale or exhale while passing sidewalk garbage? How long should I honk my horn? If New York were a game show, how would I win? What happens when I stand in the bike lane? Who should get the empty subway seats? How do I stay safe during a trash tornado? Each tip is a little story illustrated in simple black and white drawings.
