damali ayo : Obamistan! Land Without Racism: Your Guide to the New America before purchasing it in order to gage whether or not it would be worth my time, and all praised Obamistan! Land Without Racism: Your Guide to the New America:

0 of 0 people found the following review helpful. Great read!By Jessica MReally funny satirical approach to revealing this nation's flaws when it comes to racism. Some opportunities to address some really hard-hitting issues, I feel, were

lost because she focused too much on the funny and not enough on the issue. Still a great read! Easy to comprehend and it really makes you think how great we could have it, but we don't. 0 of 0 people found the following review helpful. Brilliant Use of Humor! By B. W. Patterson Damali Ayo has managed to bring humor to bear on one of our nation's most serious issues in a style that makes it easy for anyone to understand. I challenge anyone to read this book and try to see the world in the same old way. You will find yourself laughing and learning; learning and laughing page after delightful page. B. W. Patterson

On November 4, 2008, the citizens of the United States gave prejudice and discrimination a boot to the backside. The pride of this accomplishment was echoed from mountaintops to bus stops as Americans ran through the streets with tears streaming down their faces, crying, "Racism is over!" What does this dramatic evolution mean for you? This guide will help you familiarize yourself with the exciting post-racist America--a land its loyal citizens now call Obamistan--through user-friendly explanations of new sights, sounds, and policies, along with eyewitness testimonials, news clippings, pop quizzes, and tips for those who miss the old America. From hot-button issues like immigration, foreclosure, gentrification, reparations, and health care to holidays, toilet paper, pronouncing people's names, and Dick Cheney's cozy new digs in Guantánamo Bay, this indispensable guide is guaranteed to help all Obamistanis feel right at home.

"Teases out the foibles of racial dissonance with penetrating subtlety." —Washington Examiner
