I have her other book, Roots of the Sea. Each one has its own style which proves that this artist is quite versatile. This one has more grownup designs, although children can also do them.

Break out the colored pencils, and get ready to relax! With this coloring book, you won't have to leave the comfort of your own home to enjoy the perks of beach life. Fluffy white sand, wild waves, and beach eats wont leave you disappointed, but may stir up the need for a road trip! This intricate 30 page coloring book is perfect for colorists both young and old, and will inspire the creativity in everyone! Colored pencils are recommended for the best possible

result.
