Nancy Rica Schiff : Odder Jobs before purchasing it in order to gage whether or not it would be worth my time, and all praised Odder Jobs:

0 of 0 people found the following review helpful. The Yo-Yo TesterBy ginger millerI was so happy to meet Nancy Rica Schiff. I was working as a yo-yo tester at Spintastics for Dale Val Oliver and she came to interview me. I am on page 60 in the second book Odder Jobs and she was so nice. I loved the interview and the picture she took. It was a great experience and one I will never forget. This is a great book and I think it shows that it's ok to be different. It should be in our school system for kids to read.4 of 4 people found the following review helpful. A fabulous curiosity.By J. DavisNancy Rica Schiff has given us the second in her series about people whose work takes them outside, in some cases way outside, the box. It holds hope for those who can't seem to imagine a way out of the dull routine of normal work. A real asset to those counselling others on the difference between occupation and vocation.0 of 0 people found the following review helpful. Wonderful GiftBy serokaI got her first book as a gift and loved it. I bought both Odd Jobs and Odder Jobs as gifts and everyone really enjoyed them.

From canine massage practitioner to competitive eater, there are real people who perform real jobs that most nine-to-fivers have never dreamed existed. In this satisfying follow-up to ODD JOBS, Nancy Rica Schiff brings these and many more peculiar professions to light, giving us a glimpse into a whole other world of work. Nancy's photographs

perfectly capture the personalities of these working people who love their jobs, despite their oddities. A revealing collection of 65 brand-new gorgeously staged black-and-white portraits of real people performing their odd jobs, along with short descriptions of their work. ODD JOBS has sold more than 40,000 copies. ODD JOBS was selected to the New York Public Library's 2003 Teenage List and was nominated for a 2006 Teen Book Award in New Jersey. Reviews "This awe-inspiring work is the perfect thing for starting conversations."—U. Magazine

From the Publisher A revealing collection of 65 brand-new gorgeously staged black-and-white portraits of real people performing their odd jobs, along with short descriptions of their work.
