**Jim Davis : Odie Unleashed!: Garfield Lets the Dog Out** before purchasing it in order to gage whether or not it would be worth my time, and all praised Odie Unleashed!: Garfield Lets the Dog Out:

The Dog Finally Has His Day! After years of living in Garfield's supersized shadow, Odie breaks loose with a brand-new book of his own. Sure, the fat cat's slobbering sidekick may be a few dog biscuits shy of a box, but he's all heart – or is that all tongue? Odie's fetched his favorite strips and quips for this comical canine collection, so enjoy! Just watch out for dog breath!
