From Offshoot : Of Symbols and Mandalas before purchasing it in order to gage whether or not it would be worth my time, and all praised Of Symbols and Mandalas:

0 of 0 people found the following review helpful. Very Disappointed. By Alic Some of the pages were thinner than others. Some pictures had a partial design on the page. Very Disappointed.

Symbols and patterns have intrigued man over the ages. The beautiful and intricate mandalas are an artist's interpretation of age-old designs and symbols. A book of intricate masterpieces, the patterns are arranged in a sequence of a growing number of missing portions. A traditional meditation aid, they help you create a moment of quiet by engaging the mind in a quest for the whole.
