Rupert Fawcett : Off the Leash I Love My Dog Postcard Book before purchasing it in order to gauge whether or not it would be worth my time, and all praised Off the Leash I Love My Dog Postcard Book:

1 of 1 people found the following review helpful. Solid set, good deal!By Dnut20 neat postcards. As an avid collector and Postcrosser i purchase just about every set. This is another good, especially for dog lovers, which is why i got this set anyway. It would be cool if they were color but i guess thats the whole point since these are based on comics. Some of them really made me giggle, and some are just alright - all involve comic like drawings with conversation bubbles overall very nice 0 of 0 people found the following review helpful. nice cardsBy DaisyI love this comic. I use these cards for postcrossing. I took off a star because the comic is printed off to the side on the cards, with lots of white space surrounding it. I'd rather have a bigger image, centered. It's only a minor issue though, I still like these cards. The cardstock is nice and thick 0 of 0 people found the following review helpful. Funny CuteBy karolina_katfun little book - I stuck it on my coffee table as a conversation piece.

Twenty different postcards from Off the Leash to send, keep or frame. This postcard book allows for a clean tear-off - there are no serrated edges. Each postcard features a doggy cartoon from Rupert Fawcett's Off the Leash.

About the AuthorCartoonist Rupert Fawcett began creating cartoons with a specific dog theme in response to a request from a greetings card manufacture. Rupert set himself the challenge of drawing a new cartoon every day and Off the Leash was born and is now a worldwide phenomenon. Off the Leash The Secret Life of Dogs (Boxtree, October 2013) is a best-seller and has been sold in the USA (Saint Martin's Press) as well foreign language editions in Finland, Italy, Czechoslovakia and Germany. Rupert is the creator of FRED Created in 1989, FRED cartoons made their first appearance on a series of greeting cards and now, with more than 700 designs and growing, sales currently exceed 8 million cards. The cartoons were also picked up by MIDWEEK magazine, who ran them for two years, following which they appeared for a further four years in the MAIL ON SUNDAY. rupertfawcettsdoggyblog.tumblr.com
