**Rupert Fawcett : Off the Leash: It's a Dog's Life** before purchasing it in order to gage whether or not it would be worth my time, and all praised Off the Leash: It's a Dog's Life:

1 of 1 people found the following review helpful. Absolutely hilarious! By Barbara Rod I never heard of this author until I noticed his first book lying upside down on a table and the cartoon caught my eye. I have since purchased his first, second, and third books. They are hilarious! Anyone who has one or more dogs will love these books. I have even bought some for gifts. I can hardly wait for the next one! 0 of 0 people found the following review helpful. This is Furtastic! By rocklovr1 This book is truly one of the best books for showing the complete truth of being a dog parent. I've read many books that show what is the like to have fur babies but this one literally is the best. I love buying it for gifts. 0 of 0 people found the following review helpful. Not long enough for the price!!!! Cute, funny and accurate. If you have ever owned a dog, you will understand every panel. By SeaTurtle Not enough pages for the money!!!! If you have ever owned a dog, you will understand every panel. Funny and accurate.

In its first year as a daily cartoon blog on Facebook, Off the Leash developed a regular daily following of half a million dog lovers from around the world, and has become a place where people who are passionate about pooches share anecdotes, pictures and jokes. Capturing the secret thoughts and dreams of dogs, Rupert Fawcett's cartoons are brilliantly observed, and touchingly true to life. This third book celebrates the wonderful world we create for our dogs, from the gloriously cheeky pooches who steal our sofa space, out-smart cats and wrap us around their little paws, to the adoring four-legged friends who want nothing more than our complete and undivided attention. Featuring dogs of every size, shape and breed, these cartoons delightfully capture the glorious relationships between dogs and their owners.

About the Author Rupert Fawcett is a cartoonist whose past collections include Off the Leash: The Secret Life of Dogs and Off the Leash: A Dog's Best Friend.
