Juliette Cezzar : Office Mayhem: A Handbook to Practical Anarchy (Jack Spade Books) before purchasing it in order to gage whether or not it would be worth my time, and all praised Office Mayhem: A Handbook to Practical Anarchy (Jack Spade Books):

5 of 5 people found the following review helpful. Not much to offerBy BBI purchased this book along with Cubicle Warfare: 101 Office Traps and Pranks by John Austin and was excited to read it since Cubicle Warfare far exceeded my expectations. Given the book description you would think there would actually be explanations and such on how to accomplish "Office Mayhem". Most of what was in there was silly and impractical. If you are looking for a book to read through quickly while sitting on the toilet, this may be it, but if you are interested in actually learning something or reading some funny and practical idea's for office mayhem, again I would have to highly recommend Cubicle

Warfare: 101 Office Traps and Pranks by John Austin. Just my .02 cents.0 of 0 people found the following review helpful. Tasteful office pranks.By Maverick MalamaLost my original book, still a classic.0 of 0 people found the following review helpful. Five StarsBy Ryan WhiteHelps out with slow days at the office!

Office Mayhem is a survival guide to Mondays in your cubicle and a primer on enduring the everyday monotony and pointlessness of modern office life. This mischievous handbook features tips on how to booby-trap your colleague's desk drawers, and how to build office guns with basic (and standard issued) office supplies. Learn tech tactics for the insider scoop on surveillance, spying, backstabbing, sabotage, and everything else to climb the corporate ladder ahead of your fellow professional slaves. Enjoy your day job with this shamelessly humorous companion to workplace hijinks, edited by the rebellious employees of Jack Spade. Look for the watch-the-clock flipbook (countdown from 4:00pm to 5:00pm)!

About the AuthorNew York based company Jake Spade was started in 1997 by Andy Spade. Jack Spade manufacturers apparel and assorted curiosities, including books bags, pencil cases, leather Scrabble travel sets, sling shots, science kits, trench coats, sunglasses and table tennis bat covers.
