5 of 6 people found the following review helpful. Great entertainment for those boring moments at workBy R. MaplesonThis book is good for beginner folders. It does not contain any difficult folds. While the advanced folder may be a bit disappointed with the models, most of which are in other origami books, it's great for what it's designed for - 5 minute entertainment at work. There are games to make that can entertain your colleagues for hours, handy boxes etc, but my favourite has to be the "Executive Decision Maker" (a fortune teller). In summary, while, most of the folds are not original, the book contains a good compilation of folds suitable for office entertainment. 0 of 0 people found the following review helpful. Office fun - is it wise in these fiscally challenging times? By RACFun in the office - for coffee breaks and lunch hours (half-hours?). Projects may be too complex for beginners. Need some patience to complete. 0 of 4 people found the following review helpful. A Little FunBy Sherrye L. ClarkThis was a stocking stuffer and worth every penny. It has some cute things inside.

Bored with budgets? Tired of taking annoying phone calls? Morose about marketing? Work should be fun, but when

it's not, it's time for a little office origami. These twenty-two classic origami projects use items easily found in any office—time sheets, old expense reports, memos, pink slips—that will help any slacker while away those pesky hours between 9 and 5. Learn how to get more out of the work day by using sticky notes, budgets, spreadsheets, and other important documents found in any mindless bureaucracy to practice the soothing, ancient Japanese art of origami. Show everyone around you how you “think outside the box” by mastering the twenty-two projects laid out with step-by-step instructions and handy thumbnail diagrams that are easy to follow. Included in this gag gift book are origami projects that range from the complex to the simple and can all be accomplished with a simple piece of paper, often nothing more than a sticky note or your last performance appraisal! Impress your co-workers, be the life of the office holiday party—just don't ask your boss for a raise.
