Brian Crane : Oh, Sure! Blame It on the Dog!: A Pickles Collection before purchasing it in order to gage whether or not it would be worth my time, and all praised Oh, Sure! Blame It on the Dog!: A Pickles Collection:

1 of 1 people found the following review helpful. Funny ShitBy E. RhoadesI love this cartoon. My mom loves this cartoon. I bought the book for her as a gift for her for Christmas. She sat in her chair and giggled for hours over the comics. I will be buying more the Pickles books. They are great for people with kids or even better for those with grandkids. Also, you never find this at any bookstores, so buy on . You will enjoy, trust me.2 of 2 people found the following review helpful. The Best ComicBy Mary C. WilliamsAny "Pickles" book guarantees a chuckle on every page, but mostly you will laugh out loud. We can see ourselves in many of these situations, or if we don't want to own up to it, see our parents or our friends. I don't know how Mr. Crane can keep coming up with these great drawings every day but I'm thankful he can and he does.0 of 0 people found the following review helpful. Delightful and FunnyBy LCSteveMy favorite cartoon series - always funny!

Getting old is not for sissies. But as Brian Crane's crotchety but endearing seniors Earl and Opal Pickles do it, it can be humorous and often touching. For over twenty years, Crane's comic strip, Pickles, has been delighting readers around the world. This sixth collection continues the adventures of grandparents Earl and Opal; their precocious grandson, Nelson; quirky family members and friends; and the family's dog and cat, who offer their own distinctive

views of the goings-on. Crane's view of the foibles of a long-married, often cantankerous couple and their extended family and friends is wry, honest, and always warmhearted.

About the Author Brian Crane's Pickles appears in over 800 newspapers worldwide. He has been nominated three times and won in 2013 the Outstanding Cartoonist of the Year by the National Cartoonists Society and Pickles has been nominated twice as Best Comic Strip, a prestigious award it won in 2001. Crane lives in Sparks, NV, with his wife and family, which consists of seven children and eight grandchildren.
