Things get better with age . . . and they are 50% off before 6 p.m. *Age is the Absence of Youth (and a Lot of Other Things)* is a collection of wit and wisdom about the joys and trials of growing older, gracefully or not. From award winning comedy writers Gene Perret and daughter Linda Perret, this joke book takes a humorous look at the reality of years gone by and going by. Like a hilarious greeting card, this book is proof that age is more than a punchline and laughter truly makes you feel younger.
