found the following review helpful. Novelty gift!By studentuiuGot this for my hubby for Christmas! The drinks are pretty basic, maybe even classics. There are lot's of sayings and photos in black and white that really make reading this fun. A great item to have on your bar while preparing your friends their favorite drinks! Makes a unique gift !0 of 0 people found the following review helpful. Cute coffee table book!By CazWe bought this for a friend for Christmas who is only 30, but has always been sort of an "old soul". He likes smoking a pipe and drinking bourbon... so we thought this was a perfect gift! He really got a kick out of it and loved it. We thumbed through a lot of it before wrapping it and liked the book a lot. We might even get one for ourselves. My husband discovered he really likes an Old Fashioned drink from this book!

Lose those girly cocktails and start drinking like a real man—a real old man! These Old Man Drinks are guaranteed to put hair on that scrawny baby's bottom you call a chest. From Boilermakers and Sidecars to Rusty Nails and Satan's Whiskers, these old-school party starters go down just as rough as they sound. No pink drinks or foo-foo umbrellas here! Just the good stuff—whiskey, rye, bourbon, gin—and some priceless life lessons that only the very old can provide. So man up, quit your bitchin', and grab a stool, 'cause it's gonna be a long night.
