Freight took a bit longer than I had anticipated but true to the delivery time advised.Very Happy, thank you2 of 2 people found the following review helpful. WarningBy Wynne J. LienhardtThis book is not for the zealot or radical religious fanatic. It is for the light of heart who can appreciate creationist humour by a seriously creative guy. This is the Parry Sound version which most Canadians who live in Ontario can appreciate exponentially. This book is absolutely hysterical - really!2 of 2 people found the following review helpful. DelightfulBy CustomerThis little book will bring smiles, chuckles and gales of laughter. This book is for individuals that enjoy a bit of laughter with their Christianity. If you are a person that believes God has no sense of humor - this is not the book for you.

Originally published in 1978 by Gage Publishing as a hardcover, then as a trade paperback with sales of over 60,000 in Canada with seven printings, Olde Charlie Farquharson's Testament is truly a Canadian classic. It covers all the books of the Old Testament in Charlie's own Parry Sound spellings and sayings, starting with "The first book of Moeziz, Exxodust, followed by Levickedness, Nummers, Due to Run on Me, Joshawa, etc." Illustrated with line drawings and all the events in this book must be true-because Charlie is in each and every one. Charlie was conceived in 1942 when

Don worked on a farm, but his actual birth was in 1952. He has appeared in Spring Thaw to Hee Haw and national tours and eleven Charlie books.

About the Author Don Harron has been the host of CBC Morningside, has written Anne of Green Gables the Musical, and has done shows on Broadway, and London's west end. He is an Officer of the Order of Canada as well as the Order of Ontario, and in 2008, he received a Gemini Award for Lifetime Achievement in Radio and Television.
