**Bruce Danielson, Ann Berg : Ole Lena: Live Via Satellite** before purchasing it in order to gage whether or not it would be worth my time, and all praised Ole Lena: Live Via Satellite:

Ole's not as dumb as he looks; no one could be that dumb! Meet Ole and Lena like you've never seen them before! From their family and jobs to vacations and Ole's favorite stories, Ole Lena: Live Via Satellite shares the legendary couple's antics and also captures the pair in action. Full of jokes, tales and more, this book will have you rolling with laughter. Plus, photos make the bumbling duo appear larger than life.
