Not the real thingBy momof5This is not a real book from this series. It's supposed to be funny but just makes fun of kids. Sad. The real books are fantastic.

A hilarious spoof of the That's Not My...children's book series, OMG! That's Not My Baby is a great gag joke book for anyone with a child at home to look after, whether that child is 2 or 32.

About the AuthorAustralian Kasey Edwards is the author of two books: 30-Something and Over It and 30-Something and the Clock is Ticking. She has recently acquired a husband and a daughter; her dog is unimpressed.
