**Ellison Rooke : Once-a Ponce-a Time... and other bean-isms** before purchasing it in order to gage whether or not it would be worth my time, and all praised Once-a Ponce-a Time... and other bean-isms:

The bean is just an ordinary child—or is she? Once-a Ponce-a Time... and other bean-isms is a collection of her witty observations, phrases, and interpretations of life and its daily business. With over 180 pages of delightful charm, this

super-cute, pocket-sized paperback will have you grinning from the moment you pick it up.
