**Dr. Seuss : One Fish, Two Fish, Red Fish, Blue Fish (Dr.Seuss Board Books)** before purchasing it in order to gage whether or not it would be worth my time, and all praised One Fish, Two Fish, Red Fish, Blue Fish (Dr.Seuss Board Books):

1 of 1 people found the following review helpful. Dr. Seuss's Seminal Work on Color, Counting, and Life!By BearUm, really? This is the Doctor. The master of Rhyme. The Sultan of Salubrication. If you don't have a copy for your child, your grandchild, the neighbor kid, and your dog, you should be ashamed.1 of 1 people found the following review helpful. One of the most fun kid's books ever.By LeslieThis was one of my kid's favorite books during bedtime story time when they were little. So much so that I still have parts memorized, lol. Now my grandbabies love it. 0 of 0 people found the following review helpful. My favoriteBy Lemon TreeDr. Seuss books are all unique and so creative, but this one is my favorite. It's so fun to read to my 2 year old son, and he and I start laughing as I try to read the

rhymes quickly. A great children's book for everybody!!

From there to here, from here to there, funny things are everywhere. In this hilarious exploration of simple concepts such as colours, numbers and opposites, Dr. Seuss presents a crazy world of boxing Goxes and winking Yinks that drink pink ink! With his unique combination of hilarious stories, zany pictures and riotous rhymes, Dr. Seuss has been delighting young children and helping them learn to read for over fifty years. Creator of the wonderfully anarchic Cat in the Hat, and ranked among the UK's top ten favourite children's authors, Seuss is firmly established as a global best-seller, with nearly half a billion books sold worldwide. As the first step in a major rebrand programme, HarperCollins is relaunching 17 of Dr. Seuss's best-selling books, including such perennial favourites as The Cat in the Hat, Green Eggs and Ham and Fox in Socks. In response to consumer demand, the bright new cover designs incorporate much needed guidance on reading levels, with the standard paperbacks divided into three reading strands Blue Back Books for parents to share with young children, Green Back Books for budding readers to tackle on their own, and Yellow Back Books for older, more fluent readers to enjoy. One Fish, Two Fish, Red Fish, Blue Fish belongs to the Blue Back Book range.

.com "Did you ever fly a kite in bed? Did you ever walk with ten cats on your head?" Such are the profound, philosophical queries posed in this well-loved classic by Theodor "Dr. Seuss" Geisel. While many rhymes in this couplet collection resemble sphinx-worthy riddles, Seuss's intention is clear: teach children to read in a way that is both entertaining and educational. It matters little that each wonderful vignette has nothing to do with the one that follows. (We move seamlessly from a one-humped Wump and Mister Gump to yellow pets called the Zeds with one hair upon their heads.) Children today will be as entranced by these ridiculous rhymes as they have been since the book's original publication in 1960--so amused and enchanted, in fact, they may not even notice they are learning to read! (Ages 4 to 8) Dr. Seuss ignites a child's imagination with his mischievous characters and zany verses. The Express From the Inside Flap Illus. in full color. A "fabulous book of easy words, exciting pictures and inviting rhythm."--"Elementary English.
