read each of these stories I could hear God reminding me of my conversations with Him and His one-liners to me---it was a good place to visit---I am forever changed by those and ever grateful to God. Patsy's ability to bring real world example's to our heavenly Father's truths and to show us how easy it is for Him to speak to us and for us to hear, is a gift I am glad she shared. Having relationship with God is not hard work.....He desires to talk to us the way we will hear best! Great job Patsy!!!Janet King0 of 0 people found the following review helpful. God in a Patsy SuitBy Timothy A. CumingsOne Liners From God: I first met Patsy Moore at church then at a Christian School. She was always very respected and upbeat. I especially liked the line in her book about "God in a Patsy suit". As a divorced mother of three I didn't always have time to spare so this book would have been an answered prayer to encourage and give direction.You will not be disappointed in this book and will recommend it to others.Darlene Cumings,Licensed Professional CounselorTexas AMRichmond,Texas0 of 0 people found the following review helpful.
