**Oor Wullie : Oor Wullie's Letter to Santa** before purchasing it in order to gage whether or not it would be worth my time, and all praised Oor Wullie's Letter to Santa:

Just like millions of children around the world, each Christmas Oor Wullie sits down and writes a letter to Santa. This year, his letter is a little bit special because Oor Wullie has written a poem to Santa and is sharing it with his legions of fans. Full of humour and fun, Oor Wullie tells Santa about all the things he's done during the year and how he's been as good as gold - except for a lapse or two here and there, like the time he accidentally knocked off PC Murdoch's hat again. Oh yes, and that time with his catapult last summer. Apart from that he's tried really hard to be good. Honest!

Set out in a new format with beautiful new illustrations, Oor Wullie's Letter to Santa will appeal to the many thousands of Oor Wullie fans around the world. But will Santa deliver a present to Oor Wullie this Christmas? And how will he reply to Wullie's heartfelt poem? With a poem of his own, of course!
