Kindra Hall : Otherwise Untold: A Collection of Stories Most People Would Keep to Themselves before purchasing it in order to gage whether or not it would be worth my time, and all praised Otherwise Untold: A Collection of Stories Most People Would Keep to Themselves:

0 of 0 people found the following review helpful. Worth the read but better in person.By Larry HurrleKindra is a

fantastic storyteller. The book is worth reading. However, having heard her speak, her storytelling is much better in person. 0 of 0 people found the following review helpful. Four Stars By Dale Larson a great collection of fun stories. Great book for anyone who is considering a change! 1 of 1 people found the following review helpful. Loved this book! By AK This book is entertaining and laugh out loud funny! Kindra's stories are fun, positive, and endearing. This is a page turner and I couldn't put it down. Highly recommend to everyone looking for an easy and enjoyable read.

Perpetually open and fearlessly honest, she's not afraid to say things about herself that most people would only say about their frenemies. From an unsolicited MySpace war with an old boyfriend's new girlfriend to the sweat-drenched horrors of her first spin class, from a raging battle with the offering basket at church to a second honeymoon that was entirely sexless, Kindra shares the hilarious mishaps and delicate triumphs of a life that looks a lot like yours. In her first book, *Otherwise Untold: A Collection of Stories Most People Would Keep to Themselves*, Kindra finds meaning and joy in the small stories that are often forgotten. She blends humor and poignancy with exquisite storytelling skill, and will make you fall in love with the world as she sees it.

About the Author Kindra Hall is was born and raised in Minnesota and moved to the sunny southwest in 2003 when she realized that some people don't just vacation in warm climates, they LIVE there. She has always loved writing and started sharing her stories "publicly" on a MySpace blog (when she lived in an apartment by herself in a city where she didn't have many friends, a perfect scenario for creativity). Blog posts eventually became a book published in 2013 - *Otherwise Untold: A Collection of Stories Most People Would Keep to Themselves*. She's come a long way from MySpace (haven't we all) and now helps individuals and businesses find and tell their personal stories. She lives in Phoenix with her husband and two small children.
