Patrick McDonnell Scores Again! By Philip LebowI love Patrick McDonnell's MUTTS. If you find Mooch and Earl and their friends as endearing as I do (which is a lot!) and enjoy the kindness of the humor, then you can't miss with this collection. McDonnell also gently sends up cat behavior, which as a cat owner I especially enjoy, and find hilarious. 1 of 1 people found the following review helpful. Another wonderful collection from Mr McDonnell By Means Johnston III All of the characters are here in the latest collections of drawings by Mr McDonnell. Mooch and Earl continue to cheer and educate the audience to what life can offer to those who open themselves up to the possibilities offered. The art work is always beautiful and the message is heartfelt. This volume, just like its predecessors will appeal to every reader of all ages.

New York Times best-selling author Patrick McDonnell's comic strip Mutts has been charming fans since its creation in 1994 with its simple, sparse drawings and big heart. "Patrick McDonnell's MUTTS is up there with Peanuts, Pogo, Krazy Kat, and Calvin and Hobbes—cartoons that are smart and funny, brilliantly drawn and full of heart." —MATT GROENIG, creator of The Simpsons MUTTS is "one of best comic strips of all time." —CHARLES SCHULZ, creator of Peanuts "MUTTS evokes an effervescent bliss, drawn from a century-old tradition, dating from Buster Brown to Charlie Brown that, in an instant, turns words and pictures into poetic-play." —JULES FEIFFER, cartoonist Inside Our Little Kat King, New York Times best-selling author Patrick McDonnell presents his 15th chronological collection of Mutts strips. Showcasing nearly two years worth of color Sunday strips and black-and-white daily strips, Our Little Kat King includes pop-art splash pages that highlight McDonnell's imaginative artwork and distinctive

style. Deceptively simple yet strikingly profound, Mutts speaks to fans of all ages through McDonnell's expressive art and humorous, often philosophical musings. Our Little Kat King is an emotive collection brimming with postulations and punch lines, as well as enlightenment and entertainment. Whether Earl and Mooch are contemplating the cosmos, embarking on a new adventure, or curling in for a much-needed nap, these two lighthearted pals remind us of the simple pleasures that make life so "shweet."
