Hugh Murphy : T-Rex Trying and Trying: The Unfortunate Trials of a Modern Prehistoric Family before purchasing it in order to gauge whether or not it would be worth my time, and all praised T-Rex Trying and Trying: The Unfortunate Trials of a Modern Prehistoric Family:

0 of 0 people found the following review helpful. Hugh Murphy trying... and succeeding, unlike poor T-Rex! By Matthew Green I bought this and its predecessor "T-Rex Trying" for light entertainment on a cruise ship. It was a good purchase! The whimsical illustrations and ingenious humor helped me relax and enjoy myself. Of course, some of the jokes are better than others, but there are enough really good ones to elicit chuckles and the occasional guffaw. It was the first time I bought an illustrated book to read on my Kindle White. If you have doubts about using the digital version of this book vs. the printed version, I would say: don't worry. I found it quite readable and enjoyable in black and white on the Kindle White screen. 0 of 0 people found the following review helpful. ... the cover and a few of the pages had dirty smudges on them. By Customer When I received my books the cover and a few of the pages had dirty smudges on them. The pages also appear to have gotten damp and dried a tad curly. I usually wouldn't care as much, but I bought it as a gift. I feel bad gifting something that looks used. Disappointed with this seller though the book content is cute and exactly what I was hoping for. 0 of 0 people found the following review helpful. Entertaining book! By L. Blanchard I bought this for my daughter as a "just because" since she is away from home for the first time in her life. She's a huge dinosaur freak. She enjoyed it IMMENSELY. I want to get her the first volume next!

From the author of the sleeper hit T-Rex Trying, a sweetly funny new collection of drawings of T-Rex and his family being stymied by the modern world—and their unfortunately short arms. Thousands of fans fell for Hugh Murphy's first book, T-Rex Trying, which featured T-Rex trying and failing to do everyday tasks, from putting on a cardigan to jumping rope. In T-Rex Trying and Trying, the loveable lizard king is back . . . this time with his family, She-Rex and

Wee-Rex. Featuring never-before-seen content and the best from the site, Murphy's 120 drawings feature: ·T-Rex trying to take a selfie·She-Rex trying to catch a bouquet at a wedding·T-Rex trying to change a diaper·T-Rex trying to tell people he's choking·Wee-Rex trying to crawl·T-Rex trying to measure his inseam·and many, many more!An adorable and hilarious book, this is the perfect gift for readers of all ages.

About the AuthorHugh Murphy is a student at the University of Southern California, Ostrow School of Dentistry. He lives in Los Angeles.
