Lawrence Dorfman : The Snark Handbook: A Reference Guide to Verbal Sparring (Snark Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Snark Handbook: A Reference Guide to Verbal Sparring (Snark Series):

1 of 1 people found the following review helpful. Pretty good for a free book. By Angela Jamerson Sadly I paid a few bucks for it. It has a couple funny jokes worth repeating. Mostly not snark, or how to, just a joke book. 0 of 0 people found the following review helpful. Snarky at its finest By Robert Valdez Snarky is outlined and then it is explained. Use of the snark is examined and then its highest and best used are demonstrated. 1 of 1 people found the following

review helpful. Poop. In book form. By HomeyBLiciousHorrible. Don't waste your money. Not very snarky. Just stupid. And a bit misogynistic. The only redeeming characteristic is a few quotes from actual snarky people. Mostly comedians.

It's impossible to go a full day without using snark, so why fight it? Snark is everywhere, from television to movies to everyday life. This lively collection provides hours of entertainment—better than an Etch A Sketch, and more fun than Silly Putty! At the heart of it, being in a state of snark can be one of the most useful tools at one's disposal and hence (yes, I used "hence"), a powerful way to get what you want. With snark, you can catch people completely off-guard, and royally piss them off. Included here is the Snark Hall of Fame, the Best Snarky Responses to Everyday Dumbassness, and much more. It's a book that will make you laugh. It's a book that will make someone else cry. It's a book every student of the American psyche (that's all of us, Sparky) needs to have. Let loose. Let your inner anger become a positive rather than a negative, but most of all, have fun. (Yeah, like that's something you know how to do.)

About the Author Lawrence Dorfman has more than thirty years of experience in the bookselling world, including stints at Simon and Schuster, Penguin, and Harry N. Abrams. He is the author of the Snark Handbook series including, The Snark Handbook: Politics and Government Edition, The Snark Handbook: A Reference Guide to Verbal Sparring; The Snark Handbook: Insult Edition; The Snark Handbook: Sex Edition, Snark! The Herald Angels Sing, and, the forthcoming Snark Handbook: Clichés Edition.
