Lawrence Dorfman : The Snark Handbook: Politics and Government Edition: Gridlock, Red Tape, and Other Insults to We the People (Snark Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Snark Handbook: Politics and Government Edition: Gridlock, Red Tape, and Other Insults to We the People (Snark Series):

1 of 1 people found the following review helpful. Interesting enoughBy Robert R. HultsThe price was so low I just bought it. Many funny quotes that will keep your smiling. The layout is interesting as well.1 of 5 people found the

following review helpful. Not bad. Some expected quotesBy LithoThis is not bad for a couple buckaroos. Has some quotes which are pretty stock. The quotes seem to lean right-wing a bit, as there are quite a few from Reagan and Coulter. This is to be expected, I guess, because conservatives have always needed writers and publicists to feed them lines, especially since the dawn of aww shucks politicians like C-list actor Ronald Reagan. In fairness, there are specific conservative and liberal section quotes, but the quotes tilt anti-liberal. I would have liked a few of the more well-known liberal quotes to have been included, but it's a short read.Would be a great book for liberal pundits to respond to conservative-type thinking. For example, after Hurricane Sandy, someone needs to trot out this Reagan quote and ask if Reagan would think it appropriate after such a devastating natural disaster: "Government doesn't solve problems. It merely rearranges them."0 of 0 people found the following review helpful. Politics and government though that's funnyBy I smoke a lotI love the snark handbooks they crack me up every time I read them! They make great gifts if your friends don't steal them first!!!

Another political year is upon us . . . a year in which we elect another useless figurehead to piss off the masses, confuse the classes, and, above all, reward the jackasses. It will be a time of fear, angst, and anger, the perfect moment for *The Snark Handbook: Politics and Government Edition*. Filled with quotes, jokes, and timeless snarks, this brave foray into the political theater, old and new, will serve as a priceless source of sanity as you navigate the asylum. In the same inimitable style as the previous bestselling Snark titles, this timely entry is guaranteed to amuse and entertain. The wit and humor of Lawrence Dorfman shines in this collection, where he highlights the ineptitude and malice that is American democracy. You'll see first-hand the shenanigans that started with our Founding Fathers and still continue bravely on today. Hail to the Chief!

About the AuthorLawrence Dorfman has more than thirty years of experience in the bookselling world, including stints at Simon and Schuster, Penguin, and Harry N. Abrams. He is the author of the Snark Handbook series including, *The Snark Handbook: Politics and Government Edition*, *The Snark Handbook: A Reference Guide to Verbal Sparring*; *The Snark Handbook: Insult Edition*; *The Snark Handbook: Sex Edition*, *Snark! The Herald Angels Sing*, and, the forthcoming *Snark Handbook: Clichés Edition*.
