**Ariel Books : The Snoring Survival Box** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Snoring Survival Box:

Snoring's no laughing matter, especially at 3 a.m. But log sawers and their victims alike won't be able to resist this fun-filled package. Along with a booklet of survival tactics and factoids, they get a set of usable earplugs, a snorer/snoree coin to toss to see who ends up on the couch, and a nose clip. ZZZ-ure to be a ZZZ-uper ZZZ-eller.

About the AuthorAriel Books has consistently produced high-quality, small-format gift books with their contemporary style and content. They have established a successful track record in their Little Book, Tiny Tome, Quote-a-Page, Oblong, Monterey, Tuscany, and Spotlight gift book lines.
