Will Bullas : The Sporting Life before purchasing it in order to gage whether or not it would be worth my time, and all praised The Sporting Life:

Will Bullas, comic bard of the animal world, goes to practice on the world of sports! His fun with our beloved sporting rituals will make you laugh so hard you'll want to call "time out!" This comic line-up of ducks, pigs, and a few other chumps who stand in for us humans scores again as Will Bullas plays at the serious business of sports. Catch that fowl ball . . . , see a couple of backquackers . . . , and observe the yoga of fly fishing. . . Once you're initiated to Will Bullas, you can start to imagine an elephantine peanut putter . . . on the ninth green.
