**Michael Kurland : The Spymaster's Handbook** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Spymaster's Handbook:

0 of 2 people found the following review helpful. Great book!By Santos SparkyEvery budding George Smiley should own two. Funny and informative, you'll love the book. For Freedonia! Enjoy! Buy! Baffle! Plan!

The world of spying is presented in a tongue-in-cheek manner in this book, which introduces readers to a spy's code of ethics and sphere of operation. The reader is appointed to be the Spymaster General, and must pass a series of tests in order to gain entry to the world of espionage.
