**Ryan Nusbickel : The St. Louis Night Before Christmas** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The St. Louis Night Before Christmas:

0 of 0 people found the following review helpful. Five Stars By Chris JGreat1 of 1 people found the following review helpful. STL spoof a success! By BARBARA W. VANAUSDALLEvery year my husband reads the traditional "The Night Before..." to our grandchildren ages 7 to 13, and this year surprised them and their parents with Nusbickel's version. Location - Kirkwood MO. The next day, he was asked to repeat it for a crowd in Shiloh, Illinois and read it over the phone to our son, now in NY. Those of us who are East Coast transplant scored as high as the natives in recognizing his St. Louis references. Anxious to find a RI version! 1 of 1 people found the following review helpful. A Big Hit! By Sherry S. RueterThis was an awesome book to read at Christmastime. When the family was gathered around the table, I read this out loud and everyone loved it! Especially if you are from St. Louis you will get a kick out of all the cute things that only a St. Louisian could know! I think I will tuck one in each gift bag for beautician, massage therapist and dentist next year!!

THIS IS NOT OUT OF PRINT! To order on amazon, please click here --- <http://www.amazon.com/dp/1492112917>  
\*\*\* A flying float trip raft for a Christmas sleigh? Christmas Eve visions of gooey butter cake? And Santa Claus finally reveals where he went to high school? Like a custard concrete, The St. Louis Night Before Christmas is a sweet mix of St. Louis flavors, served up just in time for the holidays. From pork steak to throwing washers, this holiday classic is a celebration of all things St. Louis ... with a Christmas twist. And like those jokes that only St. Louis kids tell on Halloween, The St. Louis Night Before Christmas will leave you with a smile. It's the perfect addition to any Christmas library, even one belonging to a Cubs fan.

About the Author Ryan Nusbickel is a former television reporter, who somehow managed to win an Emmy despite spending way too much time drawing cartoons in the news van. Originally, from Thomasville, Georgia, Ryan was

educated at Wake Forest University and the Newhouse School of Communications at Syracuse University. He's since hung up his microphone and pursued his unique brand of illustrated stories for readers, both young and old. A St. Louis resident since 2000, Ryan has published other books for young people including *Pete and the Delete Button* and *Follow Those Dots*. You can visit him online at [nusbickelbooks.com](http://nusbickelbooks.com) or "like" his page on Facebook.
